CERTIFICATIONS

PEC is certified by the Federal Government and New York State as a Minority Owned, Woman Owned, Small, Disadvantaged Business.

COMPANY OVERVIEW

PEC is a provider of comprehensive, all-in-one virtual learning solutions. Our solutions provide holistic learning experiences tailored to your organization's exacting needs to optimize online learning initiatives.

CORE COMPETENCIES

- Comprehensive Virtual Learning & Training Solutions
- Adaptable Learning Platform Development
- Turnkey Virtual School Administration & Full Support
- AI-Powered Learning Analytics & Outcome Optimization
- Advanced Engineering & Innovative Solutions
- Immersive Language & Culture Training
- In-Person to Virtual Training Consulting & Migration

KEY DIFFERENTIATORS

- **Comprehensive:** Providing essential infrastructure to support unified solutions with full operational control.
- **Customizable:** Designing fully-tailored virtual learning systems revolving around unique user requirements.
- **Humanized:** Focusing at the core on human interaction and experience to create connection and community.
- **Insightful:** Combining data and analytics with private AI models to produce real learning outcomes.

PAST PERFORMANCE

For over 2 decades, PEC has demonstrated expertise in designing and deploying training systems for the U.S. Government, accounting for 2+ million training hours.
